PRIVACY ACT NOTICE

Collection of the information in this Direct Deposit Sign-Up form is authorized by 5 U.S.C. § 552a, 31 U.S.C. § 3332(g), and Executive Order 9397 (November 22, 1943). Your social security number is requested to ensure the accurate identification and retention of records pertaining to you and to distinguish you from other recipients of federal payments. This information will be disclosed to the Department of the Treasury and its fiscal and financial agents, and other federal agencies, as necessary to process your direct deposit. This information may also be disclosed to a court, congressional committee or another government agency as authorized or required to verify your receipt of federal payments. Although providing the requested information is voluntary, your direct deposit cannot be processed without it.

PLEASE READ THIS CAREFULLY

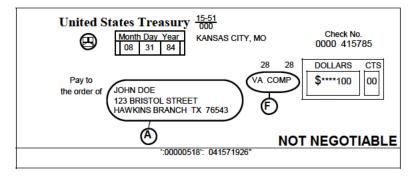

All information on this form, including the individual claim number, is required under 31 USC 3322, 31 CFR 209 and/or 210. The information is confidential and is needed to prove entitlement to payments. The information will be used to process payment data from the Federal agency to the financial institution and/or its agent. Failure to provide the requested information may affect the processing of this form and may delay or prevent the receipt of payments through the Direct Deposit/Electronic Funds Transfer Program.

INFORMATION FOUND ON CHECKS

A Be sure that payee's name is written exactly as it appears on the check. Be sure current address is shown.

Type of payment is printed to the left of the amount.

SPECIAL NOTICE TO JOINT ACCOUNT HOLDERS

Joint account holders should immediately advise both the Government agency and the financial institution of the death of a beneficiary. Funds deposited after the date of death or ineligibility, except for salary payments, are to be returned to the Government agency. The Government agency will then make a determination regarding survivor rights, calculate survivor benefit payments, if any, and begin payments.

CANCELLATION

The agreement represented by this authorization remains in effect until cancelled by the recipient by notice to the Federal agency or by the death or legal incapacity of the recipient. Upon cancellation by the recipient, the recipient should notify the receiving financial institution that he/she is doing so.

The agreement represented by this authorization may be cancelled by the financial institution by providing the recipient a written notice 30 days in advance of the cancellation date. The recipient must immediately advise the Federal agency if the authorization is cancelled by the financial institution. The financial institution cannot cancel the authorization by advice to the Government agency.

CHANGING RECEIVING FINANCIAL INSTITUTIONS

The payee's Direct Deposit will continue to be received by the selected financial institution until the Government agency is notified by the payee that the payee wishes to change the financial institution receiving the Direct Deposit. To effect this change, the payee will complete a new SF 1199A at the newly selected financial institution. It is recommended that the payee maintain accounts at both financial institutions until the transition is complete, i.e. after the new financial institution receives the payee's Direct Deposit payment.

FALSE STATEMENTS OR FRAUDULENT CLAIMS

Federal law provides a fine of not more than \$10,000 or imprisonment for not more than five (5) years or both for presenting a false statement or making a fraudulent claim.

IMPORTANT NOTICE - ORDER OF PRECEDENCE

If there is no designated beneficiary alive at the time of your death, any unpaid compensation owed you (that becomes payable after you die) will be paid to the first person or persons in the order listed below who are alive on the date that entitlement to the payment occurs.

- To your widow or widower.
- 2. If neither of the above, to your child or children in equal shares. The share of any deceased child is distributed to the descendants of that child.
- 3. If none of the above, to your parents in equal shares or the entire amount to the surviving parent.
- 4. If none of the above, to the duly appointed legal representative of your estate. If there is none, to the person or persons entitled under the laws of the State or other domicile where you lived.

You do not need to designate a beneficiary unless you want to name some person or persons not listed above or you want the payment to be made in a different order.

INSTRUCTIONS

- 1. The examples on the back of the first page of this form may be helpful to you in filling out this form.
- 2. Except for signatures, you should type or print all entries in ink (typing is preferred). You should use this form for any designation of beneficiary or beneficiaries. The form must be signed and witnessed.
- 3. The form should be free of erasures or alterations to avoid a possible legal contest after your death.
- 4. You do not need to fill out a new form when your name or address changes or when the name or address of your beneficiary changes.
- 5. You must complete the form in duplicate and file it with your employing agency. To be valid, your agency must receive the completed form prior to your death. The duplicate will be annotated and returned to you as evidence that the original was received and filed with your agency. We suggest that you file the duplicate with your important papers.
- 6. You can cancel any prior Designation of Beneficiary form without naming a new beneficiary by completing a new form and inserting "Cancel prior designations" in the space provided for the name of beneficiary. This will change the payment to the order of payment described under "Order of Precedence."
- 7. This designation remains valid unless (a) you change or revoke it, (b) you transfer to another agency, or (c) you leave and then are reemployed by the Federal Government. If you are covered by (b) or (c), you must fill out a new form if you want to change the order of payment described under "Order of Precedence."

NOTE: If this form is not available, any designation, change or cancellation of beneficiary that is witnessed and filed according to these instructions will be valid.

This form is not to be confused with Standard Form 2808, Designation of Beneficiary, Civil Service Retirement System, Standard Form 2823, Designation of Beneficiary, Federal Employees' Group Life Insurance Program, or Standard Form 3102, Designation of Beneficiary, Federal Employees Retirement System.

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2021 if you meet both of the following conditions: you had no federal income tax liability in 2020 and you expect to have no federal income tax liability in 2021. You had no federal income tax liability in 2020 if (1) your total tax on line 24 on your 2020 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2021 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2022.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- 1. Expect to work only part of the year;
- Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include other tax credits in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2021 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.
